Commissioner:

The references cited on attached form PTO/SB/08A&B are being called to the attention of the Examiner. A copy of reference AQ [in compliance with the requirements of 37 CFR §1.98(a)(2)] is enclosed.

It is respectfully requested that the cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

Reference AL through AO cited in this IDS are commonly owned published U.S. Patent Applications. Copies of these applications and their prosecution histories are available on PAIR and are believed to be readily accessible to the Examiner.

References AA, AB, AE, AI, and AQ cited in this IDS were cited in an Office Action mailed on September 4, 2009 (cited in this IDS as reference AT) in commonly owned U.S. Patent Application No. 10/654,417. A copy of the Office Action is not included with this IDS since a copy of the application and its prosecution history are available on PAIR and are believed to be readily accessible to the Examiner.

Reference AP cited in this IDS was cited in an Office Action mailed on December 18, 2009 (cited in this IDS as reference AS) in commonly owned U.S. Patent Application No. 10/631,898. A copy of the Office Action is not included with this IDS since a copy of the application and its prosecution history are available on PAIR and are believed to be readily accessible to the Examiner.

Reference AR cited in this IDS is an Office Action mailed on October 8, 2009 in commonly owned U.S. Patent Application No. 10/458,628. A copy of the Office Action is not included with this IDS since a copy of the application and its prosecution history are available on PAIR and are believed to be readily accessible to the Examiner.

Reference AU cited in this IDS is an Office Action mailed on April 14, 2009 in commonly owned U.S. Patent Application No. 10/925,155. A copy of the Office Action is not included with this IDS since a copy of the application and its prosecution history are available on PAIR and are believed to be readily accessible to the Examiner.

Reference AV cited in this IDS is an Office Action mailed on March 20, 2008 in commonly owned U.S. Patent Application No. 10/925,155. A copy of the Office Action is not

included with this IDS since a copy of the application and its prosecution history are available on PAIR and are believed to be readily accessible to the Examiner.

Reference AW cited in this IDS is an Office Action mailed on October 27, 2008 in commonly owned U.S. Patent Application No. 10/925,155. A copy of the Office Action is *not* included with this IDS since a copy of the application and its prosecution history are available on PAIR and are believed to be readily accessible to the Examiner.

Reference AX cited in this IDS is an Office Action mailed on January 11, 2010 in commonly owned U.S. Patent Application No. 10/925,155. A copy of the Office Action is *not* included with this IDS since a copy of the application and its prosecution history are available on PAIR and are believed to be readily accessible to the Examiner.

As provided for by 37 CFR §1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

This IDS is being filed before the mailing date of the final Office Action or Notice of Allowance.

Please charge the IDS fee of \$180 to Deposit Account No. 20-1430. Please deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.

Respectfully submitted,

/Andrew J. Lee/
